

# Driving Directions to Vermont Grand View Farm

Farm Stay guests-Our check in time is 4-6pm. We strongly suggest you arrive before dark so that you can clearly see the landmarks along the way. If you will be arriving after 6pm, please call us and let us know your estimated arrival time. We look forward to meeting you!

## We do NOT recommend following computer generated directions

### **From the South**

Travel north on I-91 to north I-89. Heading north on I-89 you will take exit 2. This is the Sharon exit. Off the exit ramp, turn left. Go to first stop sign and turn right onto VT-Route 14. Travel Rt. 14 heading north for about 5-6 miles. When you come to the village of South Royalton, turn right onto VT Route 110. This will bring you through the village of Tunbridge and then into Chelsea. Travel north on Route 110 through the Village of Chelsea. After passing through the village, as you head out of town, Route 110 makes a sharp curve to the left. In the middle of this curve, coming off the right is Upper Village Road. You will take this right onto Upper Village Rd. Travel Upper Village Road for 1.6 miles and take left onto South Washington Road, a dirt road (DO NOT turn at Washington Turnpike, which you will pass along the way!!). At 0.8 miles, South Washington Road turns into Scales Hill Road. At 1.6 miles, you come to a four corners with a new bridge in front of you and a new bridge to the left. The road signage is a bit confusing here. Continue on Scales Hill Road by bearing left (do not go straight or you will be on Lower Sargent Road. The placement of the "Lower Sargent Rd" is confusing. Be sure to take the road furthest to your left to stay on Scales Hill Rd). Pass by green house on left and old graveyard on right. Our house is up the hill from the graveyard, on the left -- big white house with red doors and old dairy barn. You will see the barn first as you come up the hill. A sign on the barn says Grand View Farm. Our drive is a semi-circle driveway. Take the driveway entrance right next to the barn. DO NOT take the drive entrance that is beyond the house.

### **From the North**

Traveling south on I-89 take the Barre Exit #7 following signs for 302/Berlin/Barre. At light at the bottom of mountain, turn right onto Main St./US 302-VT Rt. 14. Continue to follow US 302 making left fork onto Washington St. at light in front of granite sculpture. Follow US 302 out of town for approximately 4 miles. You will come to a traffic circle-enter the circle and bear right onto Rt. 110. At one block bear left to continue on Rt. 110 south toward Washington/Chelsea. Follow Rt 110 to the village of Washington. As you come into town you will see a general store on the right and a US post office on the left. You will take the first left after the post office onto the West Corinth/Orange Rd. Travel about one block and as the road forks bear right heading up hill. Travel to the next fork in the road and again bear to the right. There is a huge logging operation here on your right. You are now on the West Corinth Rd. Travel about 2 or 2.5 miles to the first road on your right and turn right onto Scales Hill Rd. The road will dip down and head up hill. At the top of the hill the road will bear to the left. Travel about 1 or 1.5 miles. You will pass a house with a horse barn on your right and then a smaller house with a smaller horse barn on your right. Immediately after this second house Scales Hill Rd. bears to the right. Make this right turn heading downhill. Grand View Farm is the first house on your right: white house with red doors.
